

WINTER NEWSLETTER

National Children's Dental Health Month is Approaching!

Mark your calendars! February is National Children's Dental Health Month!

Developing good habits at a young age and scheduling regular dental visits can help children get a head start on a lifetime of healthy teeth and gums.

Our doctors advise children to have their first dental visit at age 3 unless issues seem to appear.

Calling All Artists!

Children of all ages can submit a dental related drawing or painting for National Children's Dental Health Month for a chance to win an Electric Toothbrush Bundle. Stop in the office to drop off your entry and fill out your entry form!

Entries will be accepted in office December 3rd -- February 22nd.

The winner will be announced February 28th!
