

Attention Patients:

Due to increasing concerns of COVID-19 and recommendations from the Michigan Dental Association, our office will be closed through March 31st. We will reach out when the dust settles to get appointments rescheduled.

Should you need to be seen for an emergency, please call 810-664-4542 and listen to our voice message for details on how to be seen.

We appreciate your understanding during this time. Stay safe and thank you!
