

COVID-19 Update

On March 20, 2020, Governor Whitmer released a statement regarding dental offices and has placed a ban on all nonessential or elective dental procedures.

As of now, the ban will remain in place until April 5th, 2020 at 5:00PM. We are hoping to be back in office to begin serving our patients once again on Monday, April 6th.

Like stated before, should you need to be seen for an emergency, please call 810-664-4542 and listen to our voice message for details.

Thank you for your continued understanding during this time. Stay safe!
